

## PUBLIC SERVICE COMMISSION OF WISCONSIN

### Minutes and Informal Instructions of the Open Meeting of Thursday, March 22, 2018

The Public Service Commission of Wisconsin (Commission) met as noticed. Present were Chairperson Roberts and Commissioner Huebsch.

#### **Minutes**

The Commission approved the minutes of the open meeting of Thursday, March 8, 2018.

#### **1000-DE-100 – Application of the City of Cedarburg, Ozaukee County, Wisconsin, as an Electric Public Utility, for Certification of Depreciation Rates for Advanced Metering Infrastructure Meters**

The Commission approved the Notice of Investigation and directed it be signed by the Secretary to the Commission on behalf of the Commission.

#### **4740-DE-100 – Application of the City of Plymouth, Sheboygan County, Wisconsin, as an Electric Public Utility, for Certification of Depreciation Rates for Advanced Metering Infrastructure Meters**

The Commission approved the Notice of Investigation and directed it be signed by the Secretary to the Commission on behalf of the Commission.

#### **5820-AG-100 – Application for Approval of an Affiliated Interest Agreement Between Superior Water, Light and Power Company and South Shore Energy, LLC, for a Development Agreement by which Superior Water, Light and Power Company would Perform Services Related to a Proposed Natural Gas Pipeline in Superior, Wisconsin**

The Commission approved the Notice of Investigation and directed it be signed by the Secretary to the Commission on behalf of the Commission.

#### **6650-CG-260 – Application of Wisconsin Gas LLC for Authority to Construct and Place in Operation Replacement Natural Gas Distribution Facilities in the Town of Bloomer, Chippewa County, Wisconsin**

The Commission approved the Notice of Investigation and directed it be signed by the Secretary to the Commission on behalf of the Commission.

**420-CW-100 – Application of the Village of Belleville, as a Water Public Utility, for Authority to Construct Well No. 3 and Well House in the Village of Belleville, Dane and Green Counties, Wisconsin**

The Commission approved the Notice of Investigation and directed it be signed by the Secretary to the Commission on behalf of the Commission.

**1250-CW-104 – Application of the City of Colby, as a Water Public Utility, for Authority to Construct a Well No. 14 Treatment Upgrade in the City of Colby, Clark and Marathon Counties, Wisconsin**

The Commission approved the Notice of Investigation and directed it be signed by the Secretary to the Commission on behalf of the Commission.

**3280-CW-122 – Application of the City of Madison, as a Water Public Utility, for Authority to Reconstruct Well No. 12, in the City of Madison, Dane County, Wisconsin**

The Commission approved the Notice of Investigation and directed it be signed by the Secretary to the Commission on behalf of the Commission.

**3720-CW-133 – Application of the City of Milwaukee, as a Water Public Utility, for Authority to Recondition Tank No. 1 at Florist Booster Station, in the City of Milwaukee, Milwaukee County, Wisconsin**

The Commission approved the Notice of Investigation and directed it be signed by the Secretary to the Commission on behalf of the Commission.

**5320-WI-100 – Investigation into the Village of Seymour, Outagamie County, Wisconsin, as a Water Public Utility, for Construction of an Advanced Metering Infrastructure (AMI) System and Non-Routine Meter Replacement Program**

The Commission approved the Notice of Investigation and directed it be signed by the Secretary to the Commission on behalf of the Commission.

**6130-CW-101 – Application of the Village of Viola, as a Water Public Utility, for Authority to Construct a Non-Routine Automated Meter Reading (AMR) System, in the Village of Viola, Richland and Vernon Counties, Wisconsin**

The Commission approved the Notice of Investigation and directed it be signed by the Secretary to the Commission on behalf of the Commission.

**2020-WR-106 – Application of the Village of Fontana, Walworth County, Wisconsin, as a Water Public Utility, for Authority to Adjust Water Rates**

The Commission approved the Notice of Proceeding and directed it be signed by the Secretary to the Commission on behalf of the Commission.

**137-AE-120 – Application for Approval of an Affiliated Interest Agreement between American Transmission Company LLC and Upper Michigan Energy Resources Corporation for a Generator Interconnection Agreement for the F. D. Kuester Generating Station**

The Commission approved the interconnection agreement and related letter of credit (LOC) between American Transmission Company LLC (ATC) and Upper Michigan Energy Resources Corporation (UMERC), subject to the following conditions:

1. ATC shall notify the Commission prior to the effective date of any suspension, modification, or termination of the agreement.
2. The Commission shall have full access to all of ATC's books and records underlying services and goods exchanged under the agreement.
3. Approval of this agreement is not a determination by the Commission that the charges are just and reasonable.
4. ATC shall file with the Commission a final interconnection agreement and LOC, when fully executed.

The Commission directed the Division of Energy Regulation to draft an order consistent with its decision.

**137-AE-121 – Application for Approval of an Affiliated Interest Agreement between American Transmission Company LLC and Upper Michigan Energy Resources Corporation for a Generator Interconnection Agreement for the A. J. Mihm Generating Station**

The Commission approved the interconnection agreement and related LOC between ATC and UMERC, subject to the following conditions:

1. ATC shall notify the Commission prior to the effective date of any suspension, modification, or termination of the agreement.
2. The Commission shall have full access to all of ATC's books and records underlying services and goods exchanged under the agreement.
3. Approval of this agreement is not a determination by the Commission that the charges are just and reasonable.
4. ATC shall file with the Commission a final interconnection agreement and LOC, when fully executed.

The Commission directed the Division of Energy Regulation to draft an order consistent with its decision.

**137-AE-122 – Application for Approval of an Affiliated Interest Agreement between American Transmission Company LLC and Upper Michigan Energy Resources Corporation for a Multi-Party Facilities Construction Agreement for the A. J. Mihm Generating Station**

The Commission approved the multi-party generation-transmission construction agreement and related LOC between ATC and UMER, subject to the following conditions:

1. ATC shall notify the Commission prior to the effective date of any suspension, modification, or termination of the agreement.
2. The Commission shall have full access to all of ATC's books and records underlying services and goods exchanged under the agreement.
3. Approval of this agreement is not a determination by the Commission that the charges are just and reasonable.
4. ATC shall file with the Commission a final multi-party generation-transmission construction agreement and LOC, when fully executed.

The Commission directed the Division of Energy Regulation to draft an order consistent with its decision.
